

Umbrella Multicultural Health Co-op

February 13, 2019

Job Posting: Part-Time Family Physician

Are you a physician with experience providing health care to newcomers? Are you skilled at creating a safe space for vulnerable women? Do you like being part of a collaborative interdisciplinary team? Would you like to help build a patient-centered family practice rooted in health equity?

Umbrella Multicultural Health Cooperative has an exciting opportunity for you.

Our cooperative community health centre provides health services for newcomer immigrants, refugees and refugee claimants. Our part-time family practice clinic, located in the heart of New Westminster's charming downtown, is expanding and looking for a general practitioner to work one day per week, with the option of increasing hours.

Our physicians are supported by:

- A welcoming atmosphere and dedicated clinic coordinator and MOA
- A team of four cross cultural health brokers (CCHBs), who provide language and cultural interpretation during appointments. In collaboration with the physician, CCHBs support patients to address social determinants of health and to access other health and social services in the community
- OSCAR EMR (training provided)
- An accessible and desirable location (5 min walk from New Westminster or Columbia Skytrain Station, and the beautiful New West Quay)
- Monthly staff meetings
- 70/30 billing split

If you are interested in this opportunity please send your CV to the clinic coordinator, Raquel Velasquez, at rvelasquez@umbrellacoop.ca
